Sir:

Greetings from the SDO Batanes!

The Schools Division of Batanes is one with the Department of Health's goal to eliminate intestinal parasitism among children. In relation to the observance of the National Deworming Month, the SDO Batanes will administer the second dose of deworming CY 2024 in August and September. To ensure its success, we respectfully request your invaluable assistance and support especially for the augmentation of deworming medicine that is estimated at 2,000 tablets to suffice our secondary learners.

The Schools Division of Batanes deeply appreciates your continued support and collaboration in fostering the welfare of our learners. We look forward to your prompt response and involvement in making this activity a success. Thank you.

Very truly yours,
