**Sir:**

Greetings from SDO Batanes!

This is to forward to your office the additional documents of Ivana National High School relative to their application for Senior High School Offering (HUMSS and STEM) to wit:

1. Choice of strand among the Grade 10 completers of INHS;
2. Survey from nearby schools on their planned strand to take;
3. Final grade of Grade 10-learners of INHS in Math, Science, and English;
4. Program of Work of the proposed Physical Science laboratory with exclusive shower room within the laboratory with built in lavatories and dissecting tables;
5. Certification of the Schools Division Superintendent to detail a Science Teacher specifically Physics Major Teachers.

For your appropriate action.

Very truly yours,

**ALFREDO B. GUMARU JR. EdD, CESO V**  
 Schools Division Superintendent

**ONSITE INSPECTION REPORT**

**Objective:** To conduct onsite validation on the readiness of Ivana National High School, for the applications of STEM and HumSS Strands for the School Year 2024-2025.

**School/Place validated:** Ivana National High School, Ivana, Batanes

**Date:** April 3, 2024

**Findings/Observations:**

1. The school intends to change GAS Strands to HumSS
2. The school has no Science teacher major in Physics to teach under STEM Strand in the Senior High School.
3. There are 3 available classrooms ready for Grade 11 STEM/HumSS students.
4. Other crucial resources are evident except for Science laboratory.
5. The distance of the nearest secondary school which is also applying STEM Strand is 30 km away. However, the other nearby High Schools do not offer HumSS. All are offering GAS Strand.

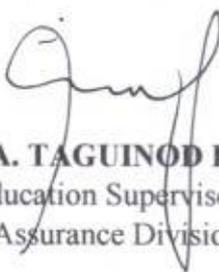

**Recommendations:**

The school is ready to offer HumSS Strand for SHS for the school year 2024-2025 but not yet ready to offer STEM Strand due to lack of crucial resources.
