Received <u>72</u>	Time <u>10:52 AM</u>
Doc No. <u>ASS-2024-06-19243</u>	

Dear Vice President Duterte:

Isang mainit na pagbati sa isang Bansang Makabata, Batang Makabansa!

One of the phases of youth development of the Boy Scouts of the Philippines is the Rover Scouting. It is intended for young men and women between the ages of 16 to 25, or those who are at Senior High School (SHS) or tertiary level students and those in the community. After its reintegration into the sectional program of the BSP, it has gained immediate and nationwide acceptance to Scouts who were past the age of Senior Scouting and among men and women who were former unit leaders and/or Rovers and were not connected to any Scout unit. It has also become popular among emergency service groups, mountaineering groups and to local and national executive board members of the BSP and has extended its membership to those who were not Scouts before but wanted to join as members of a service oriented organization.

Presently, it has gained the continued support of Scouts and non-Scouts alike and with the different community service / development projects, it is expected to provide our young people the opportunity to contribute to nation-building.

With this, the Boy Scouts of the Philippines is pleased to inform you of the conduct of **14th National Rover Moot** on **22-26 July 2024** at **Camp Irosin, Irosin, Province of Sorsogon** with the theme **"Sustaining Growth"**.

The 14th National Rover Moot aims to provide safe, exciting, challenging and meaningful learning opportunities and educational activities geared towards responsible leadership, community development, environment and natural resources protection and preservation and build lasting friendship among the Rovers of open-air and service.

At the end of the Rover Moot, participants should have:

- Contributed in the development of local schools/communities through the immersion program, activities and service projects specifically in support of the **2024 Brigada Eskwela**;
- Developed awareness about the Environment, Development and Peace Education anchored on the UN Sustainable Development Goals through cooperative learning, teamwork and youth involvement in the Better World Framework;

- c. Learned, practiced and undertaken campcraft and woodcraft skills for self-reliance; participated in outdoor exploration and high adventure activities;
- d. Acquired and learned knowledge and skills about the relevant issues and challenges of today's society such as health, education, peace, environment, livelihood, family and human rights forum and dialogue;
- e. Developed, acquired core life skills and 21st century leadership capabilities through team building, cooperative learning, group dynamics, creative problem-solving and decision-making skills; and
- f. Strengthened camaraderie and fellowship among the Rovers from different councils nationwide.

In view of this, the Boy Scouts of the Philippines would like to seek the full support and assistance from the Department of Education through an issuance of an appropriate DepEd Memorandum that will serve as information and reference of our Regional Directors and Schools Division Offices to allow the "Official Business" of our DepEd personnel who will serve as Rover Leader and/or members of the National Service Team subject to the **DepEd Order No. 76, Series of 2012** or the **"Guidelines on Revitalizing Boy Scouting in Schools Nationwide"** and participation of Rover Scouts who are senior high school learners.

Attached is the BSP National Office Memorandum No. 35 series of 2024 with the subject: 14th National Rover Moot.

Should you have further queries or clarifications, you may refer them to **Mr. Alvin P. San Joaquin, Project Officer** or BSP trunkline (02) 527-8317 to 19 local 528 or via email at alvinsanjoaquin@scouts.gov.ph

Thank you very much for your continued usual support!

Very truly yours,
