Dear SIR,

Youthful greetings!

The Provincial Government of Batanes, through its Batanes Youth Development Council, is thrilled to announce its first-ever "*Linggo ng Kabataan*" Celebration 2024. One of the main activities of weeklong celebration is a **Workshop training on Local Youth Development Plan (LYDP) formulation and technical assistance on Youth Organization Registration Program (YORP)**. This will take place on **August 14 - 15, 2024**, at the **PPDO conference Hall, Kayhuvokan, Basco, Batanes**. The technical assistance will be provided by subject matter experts from the National Youth Commission Central Office and the Regional Youth Development Division. The aim is to equip participants with the skills and knowledge needed to develop effective youth development plans and facilitate the registration process for youth organizations. A well-formulated youth development plan will not only benefit but also guide the youth in your municipality over the next three years.

Relative to this, may we humbly request an excused absence from classes and school activities the following Students indicated below. We will make sure to provide a copy of registration/attendance sheet in your office to ensure that these students attended the two (2) day activity.
