Asst. Schools Division Superintendent  
DepEd Batanes

Dear Dr. Marcelo,

Greetings of peace and love!

The San Carlos Borromeo Parish in cooperation with the DSWD of Mahatao will be conducting a seminar on Mental Health Awareness on August 30, 2024 at 2:00 – 5:00 in the afternoon at the parish church.

The main speakers are Mr. Ari Verzosa and Mrs. Racquel Verzosa, the parents of Kylie Verzosa, Miss International 2016. I myself as the parish priest of Mahatao and an advocate of mental health awareness will share something on this event together with our representative from the Provincial Health Office.

Our target audience are the grade 9 -12 students of Mahatao National High School, their parents and teachers, and the single parents and LGU employees who are available at the time of the event.

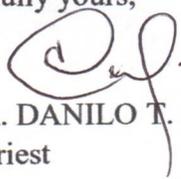

In view thereof, we are requesting your good office to kindly endorse the said Mental Health Awareness Seminar to Mrs. Nelita Sebastian, principal of Mahatao National High School, so that she would allow the concerned students and teachers to attend this event.

This kind of seminar is timely and relevant to the Ivatans specially the youth. I firmly believe that your endorsement will make a great impact on the attendance of our target audiences.

Praying for your considerate gesture on this matter.

Thank you very much and God bless.

Respectfully yours,

  
REV.FR. DANILO T. CRUZ, MAEd, MAPasMin, MATH  
Parish Priest
