Dear **SDS Gumaru:**

The Department of Agriculture Regional Field Office No. 2 (DARFO 02) in partnership with the Regional Agricultural and Fisheries Council 02 (RAFC 02), will conduct a Youth Career Orientation for the National High Schools of Batanes. This event is part of our broader effort to engage young minds in the agricultural sector, addressing the challenges of an aging farm workforce, promoting food security, and fostering sustainability.

The orientation is scheduled at the **Ivana National High School** on **September 10, 2024, at 9:00 a.m.** We are excited about the opportunity to showcase various career paths within agriculture and encourage students to consider this vital and rewarding field as a future career option.

We kindly request your support in disseminating this information to the National High Schools within your jurisdiction that could benefit from this orientation. Your collaboration in this endeavor is invaluable as we strive to inspire and equip the younger generation with the knowledge and enthusiasm for careers in agriculture.

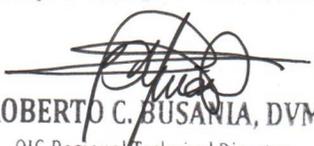

For more details and inquiries, your staff may contact **Ms. Sheila Marie DA. Orpilla**, Institutional Development Unit Head or **Engr. Reanne Joy G. Rafael**, Institutional Development Unit Staff through cellphone numbers **0936-851-4722** and **0975-293-2735**, respectively.
