Dear Sir,

Greetings of Good Health!

PhilHealth continues to develop and implement programs towards promoting financial risk protection. One of these is the PhilHealth Konsultasyong Sulit at Tama (Konsulta) Package, which allows beneficiaries to avail of outpatient services from the accredited health facility (HF) to which they are assigned.

In view of this, our office invites your Human Resource Officer or Information Officer to attend the orientation for Local Government Units (LGUs) and National Government Agencies (NGAs) on **September 18, 2024 starting at 8:00 in the morning at Pension Ivatan, Basco, Batanes** to facilitate Assisted Batch Registration and supplement your understanding of the implementing guidelines of the Konsulta Package.

For confirmation of attendance or any inquiry, your staff may contact Ms. Malou C. Bumanglag at 09369697983.

Thank you.

Very truly yours,

BGEN LLEWELLYN R. BINASOY (Ret)
 Regional Vice President
