PROVINCIAL HEALTH OFFICE

05 September 2024

MR. ALFREDO B. GUMARU JR. EdD, CESO V
Schools Division Superintendent
Basco, Batanes

Dear Sir:

Greetings of good health, peace and solidarity!

The Department of Health-Cagayan Valley Center for Health and Development (DOH-CVCHD) and Provincial Health Office will be conducting an orientation and planning for the upcoming **School Based Immunization (SBI) on September 23, 2024 at Pension Ivatan Basco, Batanes.**

With the full resumption of face-to-face classes, school learners are at high risk of contracting Vaccine Preventable Diseases (VPD). Thus, the continuity of delivering immunization services including school-based immunization proves to be critical in mitigating public health crises such as the recent outbreaks of measles and pertussis in certain areas of the country.

Anent to this, may we respectfully request **1 Representative from your office, 1 School Nurse from elementary, 1 School Nurse from secondary and 4 School Nurse Deployed under the Healthy Learning Institute of CVCHD** to attend the said activity.

Our staff, Ms. Rizalyn Faith D. Avanceña, Provincial Immunization Program Coordinator will respond to any concern that you may have regarding the matter. She may be reached at 0999-6754-384. We hope to receive your confirmation on or before September 16, 2024.

Thank you for your continuous support as we fight together in protecting our children against Vaccine Preventable Diseases!

Yours for better health services,

ALLAN M. SANDE, MD
Provincial Health Officer II

Smoking is dangerous to your health!
