Schools Division Superintendent
Department of Education
Batanes Schools Division Office

Dear Superintendent Gumaru:

Greetings from the island town of Itbayat.

The Catholic clergy and the faithful have enjoined the local government to participate in the celebration of the Feast Day of Santa Maria de Mayan on October 7, 2024.

Through the years in the past, this Fiesta date has cooperated in marking this fiesta with the Catholic faithful and the general public as well. This year, the program and celebrations committee of the Parish Pastoral Council have lined up various events and activities culminating on October 7.

As a natural consequence, elements and your constituency in the Department of Education Itbayat District will have a key roles during this upcoming Fiesta event.

To this end may I therefore request your office to allow the involvement and participation of the faculty, non-academic personnel, students and pupils of the Itbayat School District in the October 7, 2024 Fiesta event so that they may prepare as it should be and take part meaningfully and unencumbered in the various activities.

Looking forward to your enlightened and favourable action, I remain

Respectfully yours,

SABAS C. DE SAGON
Municipal Mayor
