Dear Mr. Gumaru:

Greetings of conservation.

Please be informed that this Office will conduct DENR Services on Wheels cum Provincial Stakeholders' Forum. This is in line with the celebration of the Civil Service and Lands Anniversary and the commitment of this Office to bring its services closer to the people. The activity further aims to emphasize the importance of promoting transparency on the current status of the programs, projects and activities implemented by the Office.

In line with this, we will present updates on Forestry, Biodiversity and Land Disposition for Fiscal Year 2024, and accept applications for tree cutting permit, chainsaw registration and land survey and titling.

Recognizing your institution's important role in the development and conservation of the environment and natural resources in the Province, may we enjoin your participation or that of your representative in the conduct of this activity on September 27, 2024 at the Barangay Hall of San Antonio, Basco, Batanes to start at 8 o'clock in the morning. Attached hereto is the program for the event.

We look forward to your participation in this event.

Thank you.

Very truly yours,
