Sir:

Greetings from Basco Central School!

We wish to inform you that the Basco Central School scheduled its school-based intramurals on September 28-29, 2024 at the Basco Oval, BCS court and BNSHS covered court. This activity aims to provide healthful exercise, promote leisure education, enrich social competence, develop sportsmanship, and to identify and nurture potential athletes who may represent the school in district, division, and regional sports competition.

We consider the vulnerability of our athlete's health, well-being and to prevent untoward incidents and with the advance forecast of unfavorable weather on the scheduled date, we believe it would hinder the success of the planned activity. Relative to this we would like to seek permission from your good office to allow us to reschedule the said activity on next week every 4:00 in the afternoon during their P.E. time and request further to grant compensatory overtime credit to the staff and service credits to teachers who serve beyond their official time in anticipation that games will end after 5:00 pm. Rest assured that safety, and precautions will be strictly observed during the event.

Very truly yours,

LEILANI D. UGALI
School Principal II
