ALFREDO B. GUMARU JR. EdD, CESO V
Schools Division Superintendent
Schools Division Office, Batanes

THRU: **MR. JEFFREY D. MEDINA**
School Principal I
Batanes National Science High School

Dear SDS Gumaru:

Kapian ka pa nu Diyos!

We are writing to respectfully inform you of our upcoming Youth Entrepreneurship cum Social Media Literacy Training in partnership with the Department of Trade and Industry Batanes Provincial Office on October 10-13, 2024, at the DTI Batanes PO Training Center.

Recognizing the issues brought by the extensive use of various social media platforms among the youth, the Municipal Local Government of Basco through its Sangguniang Kabataan Municipal Federation and Local Youth Development Office acknowledges the need for a comprehensive education in Social Media Literacy, thus, this partnership.

Further, for a more holistic approach, the DTI Batanes Provincial Office will be integrating Social Media Literacy in their Be Your Own Boss Youth Entrepreneurship Program which aims to equip existing and potential youth entrepreneurs with business mind-setting and skills to kickstart their entrepreneurial journey.

With this, we would like to request a total of 30 youth participants from the Batanes National Science High School to undergo this 4-day training. We give the prerogative to your good office and the school concerned in the identification of beneficiaries of this training but we would very much appreciate if we could have participants from the Accounting and Business Management (ABM) Strand.

Attached is a draft copy of the training program for your reference and a parental consent and waiver form for the use of our youth participants.

Thank you very much in anticipation of your favorable response regarding this request as we work towards championing youth development. God bless and more powers!

Sincerely,

GERMANA A. CACCAM
Municipal Mayor
