Dear Sir,

Re: Schedule of Healthy Learning Institution Activities

Greetings!

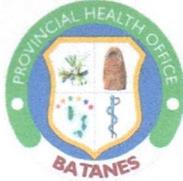

The Department of Health has initiated a nationwide program aimed at promoting healthy learning environment in schools, and all the Elementary Schools in the province of Batanes has been selected as participating institutions.

The Healthy Learning Institution initiative is designed to promote a culture of wellness and healthy habits among our students, teachers and staff. The program aims to create conducive environment that supports physical, emotional and mental well-being, ultimately leading to improved academic performance and overall development.

As part of this initiative, all elementary schools will be receiving training and support to implement various health-promoting activities and interventions. May we request the participants to attend the various activities. Schedules of activities are as follows:

Date	Activities	Participants	Venue
