Dear **Superintendent Gumaru:**

Greetings of conservation.

This is in response to your letter submitting your compliance to the Show Cause Order issued by this Office on September 27, 2024 along with your appeal to be relieved from the fines and penalties for not securing clearance from the Protected Area Management Board (PAMB) prior to the construction of your project located in Barangay Nakanmuan, Sabtang, Batanes.

In this connection, please be informed that this compliance will be referred to the Legal Division of the DENR Regional Office for appropriate action. Be informed further that your project will be included in the lined-up agenda for the next PAMB meeting tentatively scheduled on December 4, 2024. A notice to present the details of the project to the Board will be forwarded to your good Office as soon as the schedule will be finalized.

Thank you.

Very truly yours,
