Sir:

Greetings from Basco Central School!

This is to seek permission to hold Interest Day Activities for the learners on Friday December 20, 2024 to start at 3:30pm. This activity includes dance performances (mass dance) of each grade level as part of their PE activities. Gift giving from parents and other donors will follow.

In compliance to the directive of the Regional Director to stop activities that will hamper or distract classroom learning & teaching activities and considering the urgent need to address the learning loss, we have started our classes for Grades IV to VI at 1pm instead of 1:30pm aside from extension classes in the afternoon while Grades I to III extends classes until 4:40pm since last Monday December 16, 2024 to cover the lesson competencies of the learning areas affected during the conduct of the abovementioned activities. We will still hold classes before the activity since teachers and staff opted to have Christmas Party during the vacation.

We believe that this activity will be enjoyed by the learners and make them feel the spirit of Christmas without sacrificing their classes as learning is our utmost goal.

We hope for the approval of this request.

Thank you.

Very truly yours,

LEILANI D. UGALI
School Principal II
