Sir:

Greetings from Basco Central School!

In line with the observance of National Autism Consciousness Week, Basco Central School is planning to conduct a seminar entitled "Empowering Communication Through AAC: Using Tablets for Learners with Autism". This initiative aims to educate parents and caregivers on the effective use of Augmentative and Alternative Communication (AAC) tools, such as tablets, to support the communication needs of learners with Autism.

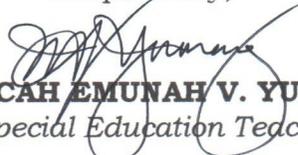

We believe this event will provide valuable insights and hands-on strategies to enhance the communication skills of children with Autism, thereby fostering their independence and inclusion in various settings.

We would like to seek your permission to conduct this seminar on January 24, 2025 at BCS Hall. We are committed to adhering to all necessary guidelines and ensuring the event is conducted safely and effectively.

We sincerely hope for your support in this meaningful endeavor.

Thank you for considering this request. We look forward to your positive response.

Respectfully,

MICAH EMUNAH V. YUMANG
Special Education Teacher I
