Sir:

Greetings from the Itbayat National Agricultural High School.

This is to ask permission from your office to send the Grade 12 Learners of the Itbayat National Agricultural High School for their Work Immersion activities starting February 17 to March 21, 2024 which will be held in Basco. The school was able to talk to industry partners in Basco that can cater our learners during their immersion. The industry partners who are willing to open their doors for the Work Immersion activities of the learners are as follows:

Industry Partner	Head of Office	Number of learners undergoing Immersion	Place of Immersion	TVL Track/Specialization	Work Immersion Teacher
1. Batanes Provincial Veterinary Office	Dr. Aurea V. Perez	11	Basco	Swine Artificial Insemination	Walthen V. Cano
2. Basco Municipal Agriculture Office	Dr. Rhodora H. Domingo		Basco	Slaughtering Operations	
3. Batanes Provincial Science and Technology	Ms. Nora Garcia	4	Basco	Food Processing	Edna C. Gato
4. Department of Agriculture – Batanes Experiment Station	Dr. Richard Q. Paddayuman	20	Basco	Agri-Crop Production	Suzara G. Ponce

The Learners will be accompanied by the respective Immersion Teachers who will also stay in Basco until the work immersion is over. An emergency classroom program will be prepared by the school so that the subjects being handled by the teachers will be distributed to other teachers while they are away.

The partnership between the industry partners and the school is covered by a Memorandum of Agreement.

For your information and approval.

Very truly yours,

EDWARD E. DITA

Head Teacher III/Teacher-In-Charge
