

REPUBLIC OF THE PHILIPPINES  
DEPARTMENT OF INFORMATION AND COMMUNICATIONS TECHNOLOGY

February 13, 2025

**Dr. ALFREDO S. GUMARU, JR., CESO V**  
*Schools Division Superintendent*  
**Schools Division Office - Batanes**

Dear Dr. Gumaru:

*Greetings from the Department of Information and Communications Technology Region 2!*

In alignment with Proclamation No. 417, s. 2018 which designates the second Tuesday of February each year as "Safer Internet Day for Filipino Children," DICT Region 2, through its Cybersecurity Bureau, is committed to fostering a safer digital environment for students.

As part of this national advocacy, we would like to invite all high school students (Grades 7-10) to attend our webinar on "Cyber Hygiene" on February 26, 2025. This initiative aims to equip high school students in Batanes with essential knowledge on online safety, responsible digital citizenship, and strategies to protect themselves against cyber threats. The session will be interactive and engaging, lasting approximately two (2) hours.

Kindly let us know if the date works for you. We are open to rescheduling it according to your preference.

Thank you so much for your support and we look forward to your positive response.

Respectfully yours,
