

February 27, 2025

**DR. ALFREDO GUMARU JR**  
Schools Division Superintendent  
Department of Education  
Basco, Batanes

Dear Dr Gumaru,

*“Greeting of Peace and Love to you”*

I am reaching out with a sincere and humble invitation to join us in a walk for a cause, aimed at helping a dear family member who is currently in the hospital in Manila. Our **KURT RUSSEL ANTONIO CARDONA** (*son of Mrs. Marilyn Cardona and late Mr. Ben Cardona*), is fighting a difficult battle against Sepsis Secondary to Community Acquired Pneumonia, and unfortunately, their family is facing significant financial challenges to cover the necessary medical expenses. As we all know, the journey to recovery is not only physically demanding but also emotionally and financially draining, and they need our collective support.

In light of this, we have organized **A WALK FOR A CAUSE** to raise funds to assist with the mounting medical costs. Every step we take together will not only show our solidarity but also directly contribute to alleviating some of the burdens the family is facing during this tough time. Your presence, no matter how small, can make a difference in ensuring that this loved one receives the proper care they deserve. This is not just a walk for a cause but a show of compassion and hope for a better tomorrow.

We genuinely **INVITE YOU** to be a part of this **WALK FOR A CAUSE** **this coming Friday, February 28, 2025, from 4:00PM to 6:00PM at Basco Airport Runway with REGISTRATION FEE of P100.00.** Your participation, whether through walking or sharing this cause with others, will provide much-needed support and encouragement for a family in need. Together, we can help turn this challenging time into an opportunity for hope, healing, and community.

**DIOS MAMAJES** for considering this heartfelt invitation, and we hope to see you there.

*Respectfully yours,*

  
**QUEENIE C. ANTONIO**
